RE: RANCHO CABRILLO WATER COMPANY, DOCKET NO. W-03898A-00-0474,
DECISION NO. 63592 – REQUEST FOR AN EXTENSION OF TIME TO COMPLY

On November 1, 2001, Rancho Cabrillo Water Company (Rancho Cabrillo) filed a request for an extension of time to file a copy of the developer's certificate of assured water supply and Rancho Cabrillo's approval to construct.

In Decision No. 63592, Rancho Cabrillo was granted a conditional Certificate of Convenience and Necessity on it filing within 365 days from the effective date of the Commission's Decision, a copy of the developer's Certificate of Assured Water Supply and Rancho Cabrillo's Approval to Construct from the Arizona Department of Environmental Quality. In its request, Rancho Cabrillo states that it is currently working on obtaining its zoning and water issues and that it will need an additional 2 years extension of time to complete this process. Staff has no objections and recommends approval to allow Rancho Cabrillo until April 24, 2004, to submit the required Certificate of Assured Water Supply and Approval to Construct.

Staff further recommends that Rancho Cabrillo be directed not to serve any customers until the above compliance has been met.
